Re: Request for Construction 2111: Essential Pool Construction Course to be accepted as qualifying for Certified Building Professional Examination for Class 25

Dear Mr. Raphael:

On September 1, 2022, after due notice, a Home Improvement Licensing Board meeting was held. The Board members specifically discussed the question of whether Watershape University's Course entitled "Construction 2111: Essential Pool Construction" would be acceptable as qualifying for Certified Building Professional Examination for Class 25 pursuant to the Laws of Rockland County Chapter 286 Appendix A.

After presentation and consideration of the evidence, the Home Improvement Licensing Board, by consensus, accepted the course as qualifying. Section 286-19 details your rights of appeal (see attached copy).

If you have any questions regarding this matter, please contact this office.

Very truly yours,

James J. Elcik
